HeatherBee Kennels Puppy Application

Please complete

Applications are being accepted for purebred, registered Golden Retrievers, purebred registered Scottish Terriers and Reg. purebred Standard Poodles in 2023. All puppies will come with CKC Registration on a firm non-breeding contract. The parents of our puppies, regardless of breed, are fully DNA health tested. Puppies are raised in the home and receive constant attention and interaction. Socialization is key to a well adjusted, resilient puppy. Temperament testing is also done at the appropriate age to help match your lifestyle with the character of your puppy. All puppies are vet checked, microchipped, dewormed and vaccinated before leaving my home and going to your home. They also come with a puppy pack, and a full puppy resource package of information. Puppies come with one month of complimentary Trupanion health insurance.

We are devoted fulltime to our puppies and bring 40 years of experience as breeders to their health and well-being. Regardless of your location, we are able to provide ZOOM or Facetime calls so you can see the puppies live. We are Saskatchewan based and we offer expert transportation services. Please also look for us on Facebook and on the web - HeatherBee Kennels. You can also find us listed on the CKC puppy list of breeders on their website.
